Stuart L. Litvin, CEcD  
Director  
Henderson-Vance County  
Economic Development Commission  
P.O. Box 2017  
Henderson, NC 27536

Dear Stuart:

PSNC Energy is in the process of extending an 8", 60 psig. natural gas main to the intersection of Poplar Creek Rd., and Technology Ln. to provide natural gas to potential users in Triangle North Vance Industrial Park.

All new construction projects are evaluated using PSNC Energy's project feasibility model (PFM) to determine if there will be any contribution in aid of construction required of a new customer. I will be pleased to evaluate any potential customers with our PFM model upon written request.

If you have questions, please contact me at your convenience.

Sincerely,

A handwritten signature in cursive script that reads "Jerry O'Keeffe".
