Dear Vivian:

This letter is to notify you of the intent of the Vance County Economic Development Commission to sponsor the Vance County Hub Site here as a participant in the NC Commerce Certified Site Program.

The "Hub" site is a 500-acre tract located on Interstate 85, Poplar Creek Road, and US 158 Business in western Vance County. The site is located directly across I-85 from the main campus of Vance-Granville Community College.

I appreciate your assistance with this certification process.

Sincerely,

Benny Finch  
Executive Director
