Re: Certification of the Granville County Industrial Site

Dear Vivian:

Granville County is seeking certification of an industrial site as part of the Kerr-Tar Region's Hub Project. The City of Oxford is proud to be a partner in this regional project.

This letter is in support of the official certification of the Granville County industrial site located on the West Side bordering Interstate-85 from Exit 206 to Exit 209 as a North Carolina Department of Commerce Certified Site. We feel this property offers tremendous opportunity for economic development in Granville County and the whole Kerr-Tar region.

We appreciate the efforts of the Granville Economic Development Commission, Kerr-Tar Council of Governments, and the North Carolina Department of Commerce in the certification of the Granville County industrial site. If you have questions or need any additional information, please do not hesitate to contact me.

Sincerely,

City Manager
